

KENILWORTH UNION CHURCH

September, 2018

Gratitude for Kenilworth Union Church is what our congregation feels for a myriad of reasons. Our church enriches and supports us every day. We have rich and varied resources from Sunday services, youth programs, Christian education, adult education, music, and outreach, all of which strengthen each of us and our connection to the church and to the community. They provide learning, understanding, and participation in Christian-centered lives from the youngest children in Sunday School to the oldest members of the congregation.

As we begin this year's Stewardship Campaign, please be mindful that all the church gives us is because of you and your support. Our campaign officially begins September 23 with a goal of \$2.1M. That number reflects the carefully managed operating budget of the church. We need your support to meet the goal. Each family is requested to pledge \$3,200 so that we can achieve our budget requirements.

We are grateful for your support, it takes all of us, doing what we can, to sustain the mission of our beloved church.

The campaign begins September 23 and officially ends November 11. We ask that you submit your pledge by the end of October. You can pledge using the enclosed pledge card, which shows your pledge amount to last year's campaign; online at www.kuc.org; by Venmo or Zelle with the email stewardship@kuc.org; or at the Stewardship table in the Culbertson Room after Sunday services during the campaign. While you can pay now, you can also simply voice your pledge commitment. Payments are due by June 30, 2019, the close of our fiscal year.

Should you have any questions regarding the Stewardship effort, or would like to discuss any feedback, please feel free to contact one of us. Whatever your connection to the church, we hope you will give generously as a reflection of your commitment and gratitude. Your support is critical to furthering God's work through the ministries of our church.
